

WELCOME

This station provides information about the 2045 Long Range Transportation Plan (LRTP)!

Today you will:

- Learn about the development process and goals of the 2045 LRTP
- Review the draft plan project list, which includes roadway, bicycle and pedestrian, and transit projects
- Provide your feedback on projects that will shape Grand Island's transportation future for the next 25 years!

Your input is appreciated. Please fill out a comment sheet at the station today, or visit www.GI2045.com to submit your comments online. Comments will be collected through Saturday, December 12, 2020.
